

Convuluted and Thermoformed Fluoropolymer Connector Tubes

Membrane Cell Replacement Tube Technology

Electrolyzer Technology	Inlet (Feed)	Outlet (Discharge)
¹ BICHLOR®		
² BiTAC® ³ Family		
BM-2.7		
⁴ ML32		
NBZ		

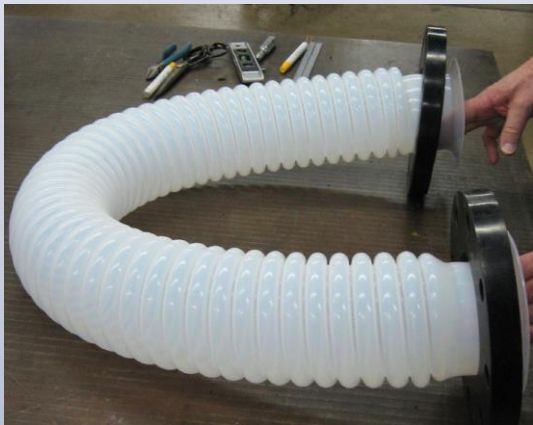

Convolutd and Thermoformed Fluoropolymer Connector Tubes

Diaphragm Cell Connectors, ≤6" Diameter

Split Flanges: P-72 Thermoplastic

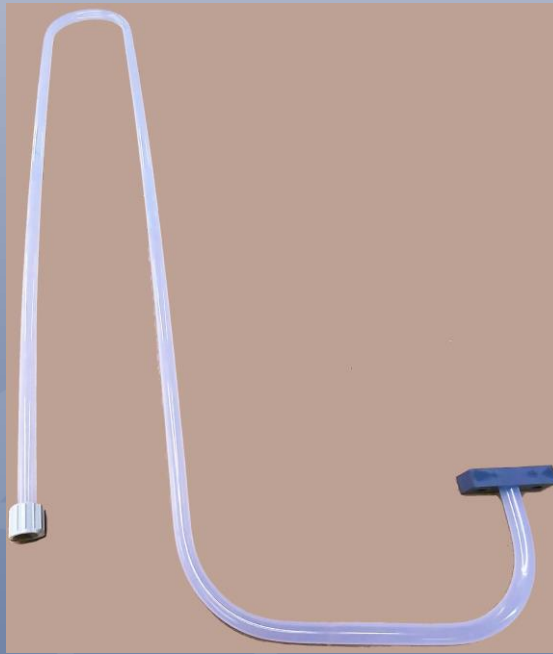

Aligned

Offset

- Utilized for easy replacement of potentially cracked flanges, maximizing fluoropolymer tube life.

Tubing and Valves – Various Applications
